

More than 13 million
children now have the
superpower of survival

**CHILD
VACCINATION**

In recognition of the generosity and selfless contribution of

DISTRIMÉDICA, SL,

we hereby certify, with the highest regard, its support as a GOLD SPONSOR of the

Vaccines4Children

initiative.

An initiative promoted by "la Caixa" Foundation, in partnership with Gavi, the Vaccine Alliance, and the Gates Foundation, with the collaboration of ISGlobal, with the aim of combating child mortality in the most vulnerable countries.

Thanks to this joint commitment, it has been possible to contribute to the vaccination of more than 13 million children.
